GROUP.

GROUP FORMATION

We want you to form your group based on who you want to live with and what style of room you are petitioning for.

It is important for you student to talk with, meet with, or get to know your potential roommates for next year. We encourage you to have these conversations early. Our office will be hosting information sessions, roommate mixers, and will have a roommate finding feature on the application as you apply.

If you are not able to form a group, don't worry! Residential Life will place you during the administrative process.

FORMING YOUR GROUP

A group may contain 1 to 8 group members. Students who wish to register for room selection as a group should be aware of the following information:

- Up to 8 students can join a roommate group.
- Students may only register as part of one group at a given time.
- Only **the group leader** will create the group name and password. The leader will be able to select for the group in the **general selection round**.
- **Each member is responsible for adding themselves** to the group created by the group leader. To add yourself to a group, you will need the group name and password.
- All members of the group will receive the same selection time.

SELECT.

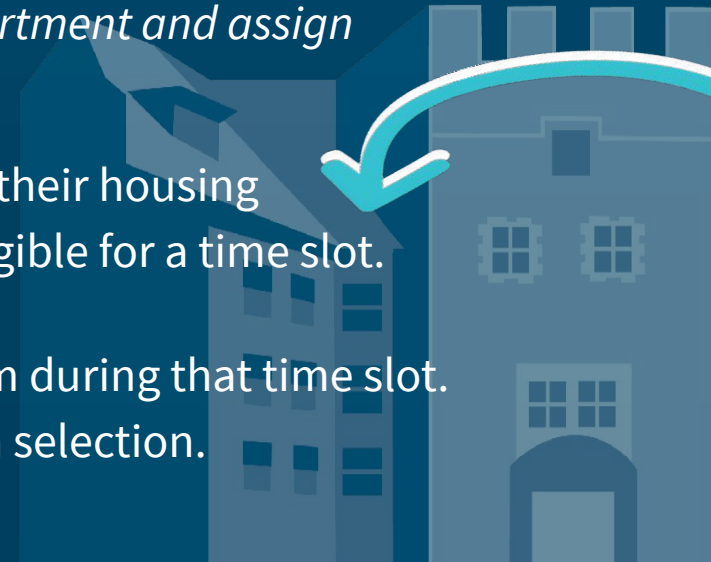

TIME SLOT ASSIGNMENT

A time slot is the date and time at which the group leader is able to select a suite or apartment for their group.

For example, if your time slot is February 27, your group leader is able to log onto the WashU Housing Portal to select a suite or apartment and assign group members to bed spaces at or after the time slot.

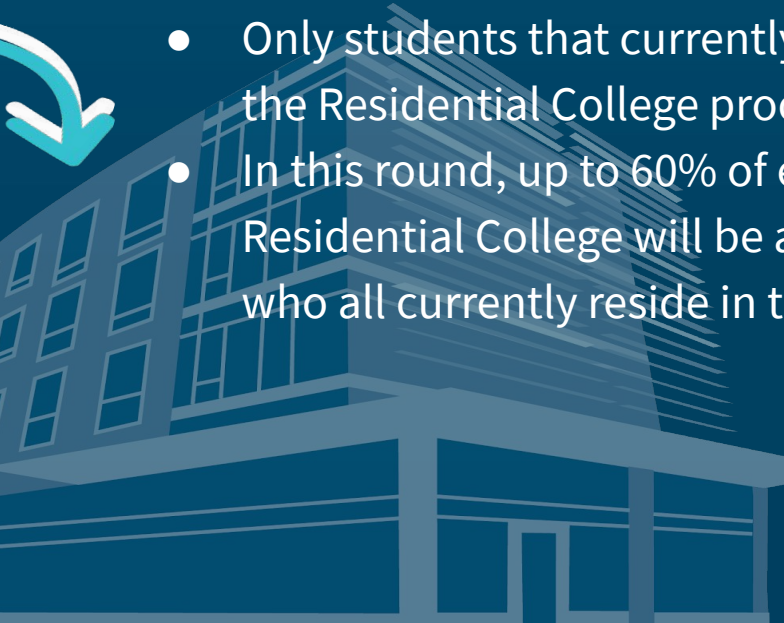

Only groups from which all students have submitted their housing application by the deadline of **January 15** will be eligible for a time slot.

If you are assigned a time slot, you must select a room during that time slot. You will not be allowed to jump rounds or not make a selection.

RESIDENTIAL COLLEGE ROUND

- Current residents wishing to live with students from their current Residential College will have the opportunity to participate in the Residential College Process by submitting an Online Housing Application by **January 15**.
- Only students that currently live in the Residential College can participate in the Residential College process for that Residential College.
- In this round, up to 60% of each suite type for upperclass students in the Residential College will be available for assignment to groups of students who all currently reside in that college.

GENERAL SELECTION ROUND

- 
- In the General Round, time slots are assigned using the number of semesters each group member has lived in Residential Life housing.
 - Earlier time slots are given to group with students who have lived in Res Life housing the longest and are **seeking apartments**. I.e. rising seniors who have consistently lived with Res Life.
 - Earlier time slots are given to groups with students who have lived in Res Life housing the shortest and are **seeking suites**. I.e. rising sophomores.

Housing Options available in the General Round:

- Millbrook, Village East, Rosedale Court, Greenway Place, University Drive, The Lofts, 520 Kingsland, 6665 Washington, and 6678 Washington
 - The South 40 and Village & Lopata Houses.
