Books and more:

• **How to be an AntiRacist** by Ibram X. Kendi. We are either racist or antiracist, there is nothing in between, argues this powerful memoir and political guide.

• **White Fragility: Why It's So Hard for White People to Talk About Racism** by Robin DiAngelo- describes the disbelieving defensiveness that white people exhibit when their ideas about race and racism are challenged-and particularly when they feel implicated in white supremacy.

• **The 1619 Project**: an ongoing initiative from The New York Times Magazine that began in August 2019, the 400th anniversary of the beginning of American slavery. It aims to reframe the country’s history by placing the consequences of slavery and the contributions of black Americans at the very center of our national narrative.
