

# NEED TO TALK TO A MEDICAL PROFESSIONAL WHEN HABIF IS CLOSED?

**Habif has partnered with WashU Express Care to provide convenient, same-day care for WashU students (age 18+) when Habif is closed.**

- See a Washington University emergency medicine physician **virtually** and immediately from home (for emergencies, call 911 or go to the closest emergency room).
- To schedule, call the number below during the times that WashU Express Care is open.
- Habif will be able to provide any follow-up care needed.
- When Habif and WashU Express Care are closed, call Habif at 314-935-6666 and follow the prompts to access the after-hours nurse line.

## Use WashU Express Care for:
