

# PRE-HEALTH LABELS IN HANDSHAKE

**Handshake labels** are one of the most versatile tools in the system, allowing data to be tagged, classified and organized.

To assist **pre-health students** in finding clinical opportunities, the Career Center and the pre-health advising team have created multiple labels to help aid in the search. The labels include:

- **Clinical, part-time, St. Louis**
- **Clinical, summer**
- **Clinical, full-time/gap year**

Handshake is just one of several avenues to explore clinical employment as not all opportunities will have a Handshake listing. Other strategies in finding clinical sites include:

- **Connecting within your existing network. Parents of your friends and family friends should know that you're seeking clinical opportunities.**
- **Searching employment listings at local (either St. Louis or your hometown) clinical sites.**
- **Volunteering in a clinical setting (nursing home, hospital, etc.) to gain experience and expand your network.**

To search for jobs in Handshake using the labels listed above:

Navigate to **JOBS** → click on **ALL FILTERS** → scroll down to **LABELED BY YOUR SCHOOL** → type in **CLINICAL**

The screenshot shows the Handshake website interface. At the top left is the Handshake logo, followed by navigation links for Jobs, Events, and Employers. On the top right are links for Inbox and Career Center. Below the navigation is a header with 'Jobs' and 'Saved' tabs. A green bar indicates the user is 'Logged in!'. Below this is a search bar and a row of filter buttons: Location, On-site/remote, Full-time job, Internship, Part-time, and All filters. The 'All filters' button is highlighted in yellow.

## Labeled by your school

The screenshot shows a dropdown menu titled 'Labeled by your school'. The search input contains the text 'clinical'. The dropdown list shows four options: 'clinical', 'clinical, summer', 'clinical, part-time, st. louis', and 'clinical, full-time/gap year'. The 'clinical, summer' option is currently selected and highlighted in light blue.

For more general guidance on using Handshake, visit our walk-in hours in DUC 110, [schedule an appointment online](#), or check out the [Getting Started](#) guide from Handshake.
